

Men's D and E Teams: Western National Tournaments

USA Softball of Portland is the host for the 2019 Men's Slow Pitch D & E Western Nationals. The tournament dates have been moved two weeks (August 16th-18th). This does not allow time for teams thinking about going to Western Nationals to make a decision following the state tournaments.

Most Western Nationals are held Labor Day weekend. Portland has big events that weekend and it created lack of hotels etc., which is why they had to move it. Because of this change, those Montana teams wanting to attend should inform their District Commissioner by August 2nd – before the state tournaments. Your play in the state tournament qualifies you to advance.

USA Softball of Montana will work with the Portland Commissioner to ensure entry for those wanting to attend. The following is information on the tournaments.
